

2025
NYC Web Fest
Playbill

Hello everyone,

2025 has been a year of highs, lows, and struggles for nearly everyone I know. Whether it was financial, health, or family stress – it really felt like everyone was going through *something*.

This is why I am so incredibly grateful to all of you – for not only submitting to NYC Web Fest, but for showing up, speaking on panels, and for being so excited about it all. Your enthusiasm has carried me through a very difficult time in my life, possibly the most difficult.

Having said that, this has also been a year of big wins. Our inclusion of podcasts and micro-episodes has opened us up to a whole new world of partnerships, and possibilities. Not to mention, more ways for us to enjoy your creativity.

At this time I'd like to thank our 2025 partners Aux Mode, Blue Foxes, Theorist Studios, and our Supporting Sponsor Pediatric Dental Associates of Manhattan. We look forward to working with you all again. Naturally, I'd also like to thank the team for all their hard work and keeping me sane, Mel, Zerelda, Chris, Robert, Jasmine, and our jury members, Andrea, Paula, Bethanny, Joanna, Todd, and Charlii.

Although I can't be in New York with you this year, my heart is absolutely there in the room. Watching this festival grow from afar has been emotional, but it's filled me with pride and renewed hope. Every year reminds me why NYC Web Fest exists – to champion bold, independent voices where creativity thrives no matter what life throws our way.

As we celebrate our 12th year, I'm more optimistic than ever about where we're headed as a company and as a community. I cherish you all, and I promise we will see each other in person again soon.

Welcome to the 12th Annual NYC Web Fest, we are thrilled to have you, enjoy.

With Love & Gratitude,

A handwritten signature in black ink that reads "L. Atkins". The signature is written in a cursive, flowing style with a large initial "L".
